⁽a) 15% is an approximate amount and may vary slightly after applying the state match amount.

Per AoA requirements, if the required non-federal share is not provided by the completion date of the funded project period, to meet the match percentage, AoA will reduce the Federal dollars awarded when closing out the award, which may result in a requirement to return Federal funds. AASA verifies compliance with local matching requirements based upon a review of AAA FSRs.

[2] The exact percentage amount may vary slightly in order to meet the federal requirement.

⁽b) AoA is the acronym for the federal Administration on Aging

⁽c) Michigan Office of Long Term Care Supports and Services (OLTCSS)

⁽d) OAA is the acronym for the Older Americans Act
