FOR IMMEDIATE RELEASE

Daily Update: March 29, 2020
First Positive Case Identified in St. Joseph County

Coldwater, MI – The Branch-Hillsdale-St. Joseph Community Health Agency (BHSJCHA) received notification today of the first positive case of COVID-19 in St. Joseph county. This case, an adult male, has been self-isolating at home. “We were not surprised today to have a positive case in St. Joseph county, based on work our staff has been doing over the past two weeks,” stated Rebecca Burns, Health Officer. “We ask that everyone follow the Stay Home Stay Safe order to minimize transmission of this virus and to protect their families.”

The number of positive cases in the 3-county jurisdiction has increased today with the first case in St. Joseph County and a total of 11 in Hillsdale County and 7 in Lakeland Correctional Facility in Branch County. Total cases statewide as of 3 pm today are 5,486 with 132 deaths attributed to COVID-19. BHSJCHA remains committed to thorough investigation and communication with all individuals affected by COVID-19. The staff at BHSJCHA adhere to the MDHHS guidelines for testing and follow best practices for contract tracing and strictly adhere to patient privacy as required by HIPAA.

BHSJCHA is asking anyone with symptoms of COVID-19 to self-isolate for 14 days to avoid potentially exposing others. And for individuals that have been in contact with someone who has COVID-19, to self-quarantine for 14 days and monitor themselves for fever, cough, and shortness of breath. COVID-19 symptoms may appear in as few as two days or as long as 14 days after exposure to the virus. Symptoms include fever, cough and shortness of breath.

To prevent the spread of COVID-19, people should:

- Stay Home. Stay Safe. Save Lives, in compliance with Governor Whitmer’s Executive Order
- Wash their hands
- Stay home when sick
- Avoid close contact with sick people
- Avoid touching their face
- Disinfect commonly touched surfaces
- When you must go out for groceries and other necessary supplies; only those people absolutely needed for the task should go, others should stay home.
- Keep six feet between yourself and others
- Work from home if you are a non-essential worker

People who are concerned that they may have COVID-19 should contact their healthcare provider and call ahead before visiting any healthcare facility. Mildly ill people are encouraged to stay home and contact their healthcare provider by phone for guidance. If you feel well, you do not need to be tested. Testing is determined based on risk assessment. Information about the COVID-19 situation locally, and in Michigan is rapidly changing. For more information, visit www.bhsj.org.

BHSJCHA is committed to promoting wellness, preventing disease, providing health care, and protecting the environment. For additional information, contact your local health department office or visit www.bhsj.org and follow us on Facebook at www.facebook.com/BHSJCHA.
