Public Health Registered Nurse (RN)
Vacancy Announcement – Branch County

Under the supervision of the Personal Health & Disease Prevention Director, provides professional nursing care to clients in the Coldwater office of the health department clinics according to specific program requirements and recommended public health core competencies. Health department services include comprehensive Communicable Disease surveillance and prevention, Immunizations, Sexually Transmitted Disease Control, Tuberculosis Control and WIC. The public health nurse plays a key role in responding to the COVID-19 pandemic. Nursing care includes case investigation; counseling, educating, and teaching; assessments; interpretation of results; administering and prescribing medication according to standing orders; and referral for other services. May act as team leader for other clinical staff.

Employment Qualifications:
Education: Current Michigan Registered Nurse license is required

Experience & Required Skills:
- Two to more years of professional nursing experience.
- Excellent oral and written communication skills necessary to effectively communicate with co-workers, clients, community partners, community agencies/organizations and others such as elected officials.

Special Requirement: Must have a valid Michigan Driver’s License and reliable transportation, as work-related travel may be required.

Salary and Fringe Benefits:
This is a full-time position, 37.5 hours per week with a salary range of $46,936 - $56,335 annually. BHSJCHA offers a full range of fringe benefits including: Health, Dental, Optical, Life Insurances, Sick and Annual Leaves, an Employer Contributed Retirement Savings Plan, and Flexible Spending Plan.

Application Process:
Qualified applicants should submit their resumes with a cover letter to the attention of:
